

CityVoice – Privacy Policy

Effective Date:

1. Information We Collect

We collect only the information necessary to operate the platform effectively:

a) User-Generated Content

- Photos and descriptions of civic issues
- Comments and interactions on posts

b) Location Data

- Approximate or precise location (to tag issue location)

c) Account Information

- Mobile number (for OTP login)
- Basic profile details (provided by user)

d) Device Information

- Device type, OS, app usage data (for performance & debugging)
-

2. How We Use Your Information

We use collected data to:

- Enable users to **post and share civic issues**
 - Route issues to **relevant municipal authorities**
 - Improve **app functionality and performance**
 - Maintain **platform safety and moderation**
 - Provide **status updates** on issues (future feature)
-

3. Data Sharing

We do **not sell user data**.

However, we may share limited data in the following cases:

- **With Government Authorities:**
Issue-related data (photo, description, location) may be shared to facilitate resolution
 - **With Service Providers:**
For hosting, analytics, or OTP services (under strict data protection agreements)
-

4. User Responsibility

- Users must not upload:
 - False or misleading information
 - Personal or private property content without consent
 - Offensive, abusive, or illegal content

CityVoice reserves the right to **remove content or restrict users** violating guidelines.

5. Data Security

We implement reasonable technical and organizational measures to protect your data. However, no digital platform can guarantee 100% security.

6. Your Control & Rights

You can:

- Choose what content to upload
 - Edit or delete your posts (if feature enabled)
 - Stop using the app anytime
-

7. Data Retention

- We retain data as long as necessary to operate the platform
 - Data may be retained for legal or operational purposes
-

8. Policy Updates

This Privacy Policy may be updated from time to time. Continued use of the app means acceptance of updates

CityVoice – Terms & Conditions

Welcome to CityVoice. By accessing or using the app, you agree to the following terms.

1. Platform Purpose

CityVoice is a **community-driven civic platform** that allows users to post, view, and engage with real-world civic issues.

We do **not guarantee resolution** of any issue posted on the platform.

2. User Eligibility

- You must be **18 years or older**
 - You must provide **accurate information**
 - You are responsible for all activity under your account
-

3. User Content

By posting on CityVoice, you agree:

- Content must be **true and not misleading**
- You will not post:
 - Fake complaints
 - Personal attacks or defamation
 - Private property without permission
 - Illegal or offensive material

You grant CityVoice a **non-exclusive license** to use, display, and share your content for platform operations.

4. Moderation Rights

CityVoice reserves the right to:

- Remove any content without notice
 - Suspend or restrict users
 - Review and moderate posts
-

5. Data Usage

Your data is handled as per our Privacy Policy.

We may share issue-related data with:

- Municipal authorities
 - Government bodies
 - NGO's
-

6. No Liability

CityVoice acts as a **facilitator platform only**.

We are **not responsible for**:

- Action or inaction by authorities
 - Accuracy of user-generated content
-

7. Intellectual Property

- App design, branding, and content belong to CityVoice
 - Users cannot copy, reproduce, or misuse platform elements
-

8. Termination

We may suspend or terminate access if:

- Terms are violated
- Misuse of platform is detected

9. Changes to Terms

We may update these Terms anytime. Continued use means acceptance.

CITYVOICE -APP DESCRIPTION

CityVoice – Raise Issues. Get Heard. Fix Your City.

Tired of bad roads, potholes, garbage issues, or civic problems being ignored?

CityVoice gives your complaint a platform.

Report Civic Issues Instantly

Snap a photo, add details, and post your issue in seconds.

Auto Location Tagging

Your issue is mapped automatically for accurate reporting and visibility.

Community Support

Get support from people facing the same issue.
More voices = more attention.

Reach the Right Authorities

Issues can be directed to relevant municipal bodies for action.

Track Issues (Coming Soon)

Monitor status like:

- Pending
 - In Progress
 - Resolved
-

Safe & Controlled Platform

- Content moderation
 - User reporting system
 - Privacy-focused approach
-

Built for Real City Problems

From potholes to streetlights to public infrastructure—
CityVoice is designed for real-world impact.
